Serrania de la Lidosa San Jose del Guaviare 5 days

Overview

What will remain in your memory forever visiting the Serranía de la Lindosa in San José el Guaviare:

- To visit San José del Guaviare is to relive the history of primitive communities.
- Get to know one of the eight new protected archaeological areas of the country.
- The area where rock art has been found up to 12,000 years old
- The importance of the mountain range of La Lindosa “is due to the fact that it is one of the places with the highest concentration of rock art in the world, and because of the archaeological evidence of pre-Hispanic interactions between peoples of the Amazon and the Orinoquia.”
- The Guayanés Shield, the great-great-grandfather of the forests of the Earth
